

Longhaul Balansa Clover

Trifolium michelianum

- Late flowering hard seeded balansa
- Excellent cold tolerance
- Late maturity allow for multiple cutting and grazing
- Excellent spring production to meet big bulky silage and hay cuts
- Very good salt tolerance
- Tolerates water logging soil types
- Deep taproot to aid in soil conditioning to help with future moisture movement down the soil profile
- Better option than Bolta, Viper

Seed agronomy table

Maturity	Late
Min Rainfall (mm)	550
Hard Seed Level	High
Waterlogging Tolerance	Excellent
